

Pet Policy 2021

*Thank you for thinking of Rendleman Orchards when sharing your day with your fur babies!
Our privately owned farm has a pet policy as outlined below.*

>>> **Pets must remain leashed at all times!**

Admission to The Fields at Rendleman Orchards is \$3 per person on Saturdays, Sundays, and holidays.

Children 12 & Under as well as pets are FREE. Weekday admission is FREE to all.

Holidays include 4th of July, Labor Day, Columbus Day.

PLEASE NOTE: There is only a small portion of our farm that is available to the public—our U-pick flower fields and pumpkin patch. Additionally, there are only a few months our retail areas are open *July through October, during our regular business hours only*. Monday-Saturday 9:00am-5:00pm, Sundays 12:00noon-5:00pm. Our fields do close promptly at 5:00pm. Last permitted to the fields at 4:45pm. Our farm is closed to the public November through June.

The designated areas for fur babies, pet parents and all guests are:

- In front of our Farm Market
- At our front entry sign area
- In the area around our goats, chickens and small white house with mural on back
- In the designated U-pick fields: The Zinnias, the Sunflowers, and the Pumpkin patch

NOTE: Please be prepared to pick up after your pet! Pets are not allowed inside unless it is a service dog.

We do NOT allow guests or pets in, around, or near our orchards. We are a commercial fruit farm selling to grocery stores and food distributors. We are Globally Food Safety Certified, which does not allow for the general public or pets to be in the orchards near the food we are growing. We appreciate your respect of this process and our property.

Please tag us in your photos! We love to see your pet pics and share!
